

Your wedding programme

Bocken:

Special events demand a special setting. Bocken is the perfect stage for your dream wedding: historic buildings in green surroundings, with flexible accommodation, idyllic grounds and views of Lake Zurich. And attractive alternatives for when the sun might not shine resplendently.

Of course, we offer you much more than just a fantastic setting. Our service will be everything you could hope for. Our chefs will take care of the culinary highlights.

And how might your dream day look?
